

TRIO-SSS Monthly Newsletter

Hello TRIO Students!

We're about halfway into winter term, but spring term, and the end of the academic year, are just around the corner! So, we wanted to take a moment to highlight a few important things to keep on your radar:

First, if you're finishing your degree this spring or summer, you should apply to graduate now! More info is on page 2.

Second, all students should fill out their 2026-2027 FAFSA now! The deadline is this summer, so you have time...but not much!

Third, make sure to submit any in-progress scholarships ASAP. Any earned scholarships will generally apply to your account starting Fall (26/27 school year).

As always, feel free to reach out if you have any questions or need any support.

Best,

Danielle Garcia & Nadine Roper
