

## Rogue Community College Catalog Errata 2022-23

| Page                | Program or Course   | Correction  |
|---------------------|---|---|
| 154                 | Dental Assistant  | Total program credits= 49-55<br>Summer term credits = 14-15.  |
| 113                 | Design and Digital Media AAS                                      | ART222 is a core course, and will not apply to elective requirements.   |
| 183                 | Nursing AAS   | <p>Incorrect: <del>TOTAL PROGRAM CREDITS BEYOND 30 PREREQUISITE CREDITS— 90-91</del><br/> <u>Correction:</u> TOTAL PROGRAM CREDITS INCLUDING 30 PREREQUISITE CREDITS REQUIRED TO APPLY = 102</p> <p><u>Footnote 2</u> = <del>Students who have not completed a writing series inclusive of research writing or not completed a bachelor’s degree from an accredited English-speaking college or university, recognized by the United States Department of Education, must complete a research writing course (e.g. WR122 at 4 credits and inclusive of research writing or WR227) to be allowed to progress to the second year of the program.</del><br/>           Applicants who have completed a non-nursing bachelor’s degree in an English speaking country can use it to meet this requirement.</p> <p><u>Footnote 4</u> = <del>Electives may be required in pre-requisites and applied in order to reach the minimum 45 prerequisite credits. As needed electives may be required if students completed NFM225, PSY201 or PSY202, PSY215, WR121 and WR122, at 3 credits each, which are acceptable. If WR122 was completed as a 3-credit course, then an additional research writing course must be taken to fulfill the requirements of the writing series. WR122 may be taken again at 4 credits or students may take WR227 to fulfill the research writing requirement of the writing series.</del> If Life Span Human Development is completed prior to the application deadline, any previously completed transferable 3-4 credit social science course can replace PSY201.</p> |
| 185-186             | Computer and Embedded Systems Engineering transfer to Oregon Tech | Total program credits = 90-92<br>First winter term credits = 17<br>In the first winter term, PSY202 is required. Disregard the mention of a Technical Elective or approved Social Science transfer course as potential alternates.<br>In the first winter term, note that the transferable general elective credit amount can range from 1 – 3 credits.<br>First spring term credits = 15-17<br>Second spring term credits = 13<br>Disregard footnote 3: Approved Technical Elective. This course is not an alternate to PSY202.  |
| 200-201             | Software Engineering transfer to Oregon Tech                      | Total program credits = 90-92<br>First fall term credits = 14<br>Second fall term credits = 14<br>Approved Humanities Electives (Complete three courses, <b>10-12</b> credits from the following list. A maximum of three performance or studio-based credits indicated by an asterisk are allowed.) – <i>(not 9-12 credits)</i>  |
| 202                 | Engineering transfer to Oregon Tech - Civil                       | First spring term = 15-16 credits.<br>Second winter term = 12-13 credits.<br>In second winter term, added class: Transferable General Elective-see advisor (0-1 credit)<br>Second spring term = 15-16 credits.  |
| 229                 | Family Support Services Career Pathway Certificate                | Total program credits = 32-34<br>First fall term credits = 9-10   |
