

A statewide transfer agreement that identifies the community college courses needed to transfer to any Oregon public university as a junior seeking a Bachelor of Science in Business.

Statewide Transfer Articulation Agreement:

Major Transfer Map in Business

90-100 Credits or Optimal Transfer Point

From: All Oregon Community Colleges

To: All Oregon Public Universities

<u>Introduction</u>: Major Transfer Maps (MTMs) represent a streamlined path for students transferring from an Oregon community college to an Oregon university who know which major/bachelor's degree program they want to pursue. In contrast to other statewide transfer tools that prioritize university general education requirements (i.e. AAOT and ASOT), MTMs specify clear course-taking paths necessary for on-track progress towards a specific major/bachelor's degree, with a guarantee of transfer from any Oregon community college to any Oregon public university. MTMs build on the 30-credit general education foundation defined by the generic Core Transfer Map (CTM), although MTMs may specify particular relevant/required General Education courses as part of the 30-credit CTM component of the MTM.

The statewide Major Transfer Map (MTMs) in Business will use the format of an Associate of Science Transfer degree in Business (AST-Business).

The MTMs identify the optimal and specific set of community college courses students need to take to transfer efficiently into the major at the university. The successful completion of the MTM allows students to receive status at the public university, based on the number of academic credits referenced in the transfer agreement, including at least 30 credits of general education satisfied, that is comparable to the status of students with the same number of academic credits in the major course of study who began their postsecondary studies at the public university. The students will not be required to retake a course, as long as the minimum required grades have been earned.

Students must have earned a cumulative grade point average of 2.0 and meet the residency requirements at the community college awarding the MTM.

When students complete an MTM, the general education courses in the "Core Transfer Map" portion of the MTM, for which minimum required grades have been earned, are guaranteed to transfer into general education, degree, or major requirements for a bachelor's degree at any Oregon public university (ORS 350.404). However, while CTM-related courses are guaranteed to transfer into general education, degree, or major requirements, students completing an MTM will not be awarded a CTM also.

Students who want to transfer prior to completing the MTM should talk with their community college advisor and an advisor at their target university prior to transfer about how their courses will count towards general education requirements and degree/major requirements. If the MTM is not awarded advisors can guide students to determine if they are eligible for a CTM.

Students are responsible for informing the admissions counselor or intake advisor at their receiving four-year institution that they are completing an MTM. It is important for students to understand that completing the MTM in two years and the bachelor's degree in four years requires them to complete a minimum average of 15 credits per quarter (or 45 credits per year).

The guarantees and limitations below describe the minimum requirements to which all participating institutions have agreed. If an institution is not meeting the guarantees described below a complaint can be filed with the Oregon Transfer Advisory Committee (OTAC).¹

Part 1: Guarantees

Students who complete all the requirements of an MTM (i.e. an MTM associate's degrees or an MTM non-degree package when optimal transfer requires fewer than 90 credits) as defined in the specific MTM agreement, who have earned the minimum required grades and a cumulative 2.0 GPA or higher, meet residency requirements, and who are admitted to the receiving institution's corresponding major/degree program are guaranteed the following:

1. Status within the major at the public university that is comparable to the status of students with the same number of academic credits in the major course of study who began at the public university (when the MTM is equal to at least 90 credits this would equate to receiving "junior status in the major course of study at the public university").

2. Eligibility to graduate following the degree/major requirements in effect at the university during the academic year the student first enrolled in the community college that awarded the MTM. If the student does not complete the degree within 7 years of the first enrollment at the community college awarding the MTM, they should meet with an advisor to determine which catalog to use.

3. All courses in the MTM will transfer individually. If a student transfers before completing the MTM, all courses will still transfer but may not apply in the same way as they would if the MTM was completed. If the CTM has been awarded, the guarantees inherent in the CTM apply.

4. The ability to file a complaint with the Oregon Transfer and Articulation Committee (OTAC) if the guarantees of the MTM are not being met. OTAC will review complaints submitted to the Higher Education Coordinating Commission (HECC) or to OTAC regarding Oregon's statewide transfer tools and degrees and recommend next steps that support dispute resolution. Note:

- Students should first follow their home institution's internal complaint process (e.g. talk to their academic advisor, academic unit, Registrar, or Provost)
- The HECC has authority to handle student complaints but only if they are related to discrimination or retaliation

¹ Sections of this contract are modified versions of contracts from Colorado and Washington.

While OTAC does not have legal authority over transfer complaints, as the only statewide transfer advisory body, OTAC can make recommendations and assist institutions and students in resolving compliance issues.

5. Students who successfully complete the MTM at a community college will have the MTM notated on their transcript. If the MTM takes the form of an associate's degree, it will be reflected in the standard degree posting format used by the community college. If the MTM is not an associate's degree, but rather an optimal transfer point with fewer than 90 credits, it will be posted as a notation on the community college transcript.

Part 2: Limitations

1. Completion of the prescribed curriculum in the statewide transfer articulation agreement does not guarantee admission to a participating receiving institution. Students must meet all admission and application requirements at the receiving institution in place at the time of admission, including the submission of all required documentation by stated deadlines.

2. Minimum grades required for general transfer and for application to major requirements and prerequisites may vary by each Oregon public university and by each degree/major. Each MTM agreement will specifically list the minimum grade requirements that will guarantee transfer including minimum required grades for major courses and Pass/No Pass limitations. All schools accept a grade of a "C -" or better in all general education courses. Students should contact the admissions counselor or intake advisor at the university they intend to transfer to for more information.

3. Completion of an MTM and admission to a receiving institution does not guarantee enrollment in a specific degree program. Some programs at receiving institutions have controlled and/or competitive entry due either to space limitations or academic requirements.

4. The credit and course transfer guarantees described in the specific MTM agreements apply only to the specific degree programs covered by the agreement. Therefore, if a student changes to a new major some courses may not apply the same way towards the new major as they would for the original major. When students change majors the old MTM major guarantees may no longer apply and receiving institutions will evaluate applicability of transfer on a course-by- course basis.

5. AP (Advanced Placement) and IB (International Baccalaureate) credit:

General Education Courses in the MTM:

AP and IB articulated credits used to meet the general education components of the Major Transfer Map will transfer, and are guaranteed to fulfill general education requirements at the receiving institution, as long as the articulated credits are listed on the Advanced Placement and International Baccalaureate Statewide *Course Credit Policy* found on the HECC website.

AP (Advanced Placement) and IB (International Baccalaureate) in the MTM:

Using the current *AP and IB Statewide Course Credit Policy* as a reference, the Major Transfer Map workgroup will assess how AP/IB exam scores apply to the MTM (range of credits and course articulations). In particular, the MTM workgroup will identify whether the credit range and course articulation of AP/IB exam scores differ among the 17

community colleges and 7 public universities in ways that create transfer misalignment for students earning the MTM.

The workgroup will refer all areas of misalignment to the AP/IB Statewide Policy Group, which will work with the higher education institutions' appropriate representatives (including faculty and academic leadership) to resolve the areas of misalignment by establishing common range of credits and defined articulations across the 17/7 so that AP/IB exam credit awarded at any community college will transfer to all public universities and apply as intended in the MTM.

If 17/7 alignment in range of credits and course articulation for AP/IB exam scores is not possible, the MTM workgroup will determine whether the differences constitute acceptable and warranted variance within the MTM. If so, the workgroup will recommend the variance to OTAC when it submits the MTM to OTAC for the approval process. If the MTM workgroup determines that uniformity is necessary, and a particular institution elects not to conform, that school is choosing not to be a participant in that particular MTM.

6. Please note that each Oregon public university has differing policies on institutionally administered exams (sometimes called Challenge Exams) and students should contact the admissions counselor or intake advisor at the university students intend to transfer to for more information.

7. Students should consult with advisors at their community college and receiving university if they have additional questions.

Part 3: Institutional Obligations

1. Oregon public universities and community colleges, under advisement from OTAC and HECC, will build an alert mechanism into their curriculum review process for changes related to courses, programs, or admission that may impact the MTM.

- The institution proposing a change in required or pre-requisite courses, with potential to impact lower-division course taking will alert their Registrar and Major Transfer Map group to review the change.
- If the proposed change creates a need to modify lower-division course taking as defined in the existing MTM, the OTAC representative from the particular MTM group will bring the issue to OTAC for review to determine if updates need to be made to the agreement.
- All public higher education institutions who are signatories of the agreement are expected to stay in alignment with the approved MTM. Changes to courses included in the MTM that will affect their transferability must be approved by the MTM group and OTAC before taking effect.
- MTM groups are expected to meet annually or as needed to ensure continued alignment and the effective dates will be reflected in each MTM. Catalog rights follow the MTM.
- If valid reasons exist that prevent sufficient alignment, a given institution may have to exit the agreement. In such cases, the Provost of the university must notify OTAC and work out an effective timeline for leaving the agreement such that the university honors the catalog

year guarantees and provides a workable teach-out plan so students in the pipeline are held harmless.

2. Oregon public higher education institutions agree that where university-specific curricular variance exists within the MTM, it is identified and justified. Acceptable justifications should be related to student benefit, necessity for academic success in meeting future requirements at the junior/senior/graduate school/employment level, and immovable external requirements such as accreditation requirement differences.

3. Participating institutions agree to continue to work toward maximizing course alignment as much as possible with the goal of awarding direct equivalency for all MTM courses, even when a transferring student has not completed the entire MTM.

Part 4: Prescribed Curriculum

This guide outlines the course requirements for the Business Major Transfer Map (MTM) for students at any Oregon community college who plan to transfer to a four-year public university in Oregon and earn a Bachelor of Science in Business. This map is beneficial for students who know they want to transfer in Business, but who may be unsure of their intended transfer destination. There are two possible transfer paths in this MTM. Students should work with their advisor to choose the best path for their goals, and to ensure they fulfill the requirements of this major transfer map.

Students who are certain of both their major and their intended transfer destination should consult an advisor for information on an existing specific articulation agreement or degree map that will prescribe their course requirements.

The Business Major Transfer Map (Business MTM) is a streamlined pathway created for a student who knows they want to earn a Bachelor of Science in Business. While the Business MTM may not meet all the lower division general education requirements at a student's chosen school, students who successfully complete the courses and program GPA requirements, will transfer in with junior standing in the major. They will have the ability to work with an advisor to take smart credits: credits that are required at each public university that will count toward their Business major, a minor or general education.

There may be a minimum required GPA for the university and/or College of Business of your choice. Refer to the grid below for more information on the GPA/grading guidelines for each 4-year institution.

Students are strongly encouraged to: 1) seek advising before their first term of college; 2) seek advising after they have completed the 30-35 credits of the Core Transfer Map (CTM); and 3) seek advising and meet with a transfer coordinator before registration opens at the beginning of their second year in college. Students should also be aware that if they want to complete this Major Transfer Map in two years, they should take an average of 45 credits per year, or approximately 15 credits per quarter. Finally, to earn an AST-Business degree, students will need to successfully complete at least 90 credits.

All seven public universities in Oregon offer a Bachelor of Science in Business:

Eastern Oregon University: <u>https://www.eou.edu/college-of-business/</u> Oregon Institute of Technology: <u>https://www.oit.edu/academics/degrees/business</u> Oregon State University: <u>http://business.oregonstate.edu/</u> Portland State University: <u>https://www.pdx.edu/business/</u> Southern Oregon University: <u>https://sou.edu/academics/business/programs/business-administration-ba-bs/</u> University of Oregon: <u>https://business.uoregon.edu/</u> Western Oregon: <u>https://wou.edu/academics/business/</u>

<u>Additional courses to reach 90 credits</u>: See the table below. **Please understand that lower division courses taken at the community college level do not necessarily transfer to any Oregon university you choose**. Again, this is why it's vital to speak to an advisor knowledgeable about transferring to the Oregon university of your choice.

ADDITIONAL COURSES TO REACH 90 CREDITS See an advisor for recommended courses

At this point [above = 58-80 credits], it is recommended students pursue these options:

Work closely with a Business Advisor to select your courses (12-28 credits) from the course categories below that will help you fulfill any remaining degree requirements. These courses may be General Education and/or lower division Business Electives at the university you wish to attend. It is VITAL that you work with an Advisor at your current school to plan your needed courses for the university you wish to attend, as the transfer of course credits varies from one university to another.

Please be aware of the following MTM requirements when selecting courses:

- Only 12 credits of CTE can be applied toward the MTM
- Only 3 credits of PE can be applied toward the MTM

Arts and Letters (3-4	Social Science (3-4 credits	Science (3-4 credits	Business Courses (3-4 credits per class) (if

Summary of Agreement with UO:

- 1. WR 227 Technical Writing: The UO Core Education Council approved accepting WR 227 as clearing the second four credits of the required eight credits of writing when transferred from an Oregon Community College as part of a completed Business MTM. WR 227 will not articulate as a specific UO writing course, but rather as WR 200T. This decision is pending final approval from the University Senate in December 2020 and will begin Fall 2021.
- Beginning Fall 2021, the University of Oregon's Lundquist College of Business will accept BA 226 or BA 230 or equivalent as replacement credit for BA 325, Business Law and Ethics, a required Business major core course. This replacement requires completion of the Business MTM, and will be extended to students who complete the ASOT in Business. The community college equivalent course will not articulate as a specific UO course, but rather as BA 200T.
- Beginning Fall 2021 the University of Oregon's Lundquist College of Business will accept completion of the Excel Skills class outlined in the Business MTM as replacement credit for BA 240, Managing Business Information, a required UO Business major course. This replacement will be extended to all Oregon community college transfer students, regardless of whether they have completed the Business MTM.

 Re:
 Major Transfer Map in Business

The Business major at Southern Oregon University requires two lower-division courses that are not part of the Major Transfer Map (MTM): Advanced Excel and Orientation to the School of Business. Because the other business departments at Oregon public universities do not require these two courses for their majors, SOU has proposed the following changes to its curriculum to be compatible with the MTM.

- 1. BA285 Advanced Spreadsheets was modified and moved to the upper-division level.
- 2. BA100 Orientation to the School of Business was removed as a requirement.
- 3. BA101 Introduction to Business (which is already a part of the MTM) was added as a requirement.

Once these changes are approved, a student may follow the Business MTM path and be able to transfer to SOU with all of the lower-division requirements met. These changes will be taken to the University Curriculum Committee for approval in Winter 2021. If approved, the changes will be effective Fall 2021. Approval is expected.

Appendix E. Portland State University University Business (BS) Transfer Agreement

The School of Business Undergraduate Programs

Portland State University Business Transfer Agreement

The Business major at Portland State University (PSU) requires students take BA 205 – Business Communications using Technology. The Major Transfer Map (MTM) for business requires BA 131- Introduction to Business Technology and WR 227 – Technical Writing. For Fall 2021 the PSU Business department is agreeing to accept BA 131 and WR 227 as a substitution for BA 205 at PSU. Additionally, the WR 227 class will count toward the second writing class for all students.

It is understood that BA 131 at the Oregon community colleges will be undergoing changes to meet the goals of most Oregon Public Universities. Those changes include adjusting the content to focus on critical Microsoft Excel skills to include the following:

- How to use mathematical formulas utilizing relative, absolute, & mixed cell references.
- How to use Excel mathematical and statistical functions.
- How to use datasets, tables, Pivot Tables and Pivot Charts.

While the BA 205 course at PSU does not currently cover those topics, the articulation of BA 131 and WR 227 to substitute for BA 205 will remain in place ensuring that students who complete the MTM are not required to complete an additional lower division BA course upon transfer.

Core Transfer Map	Credits	EOU	OIT	OSU	PSU	SOU	UO	WOU
Writing- WR 121	3-4	WR 121 (3-4 credits) Also receives GTW gen ed credit.	WR 121 (3 credits)	WR 121 (3 credits) Proposal to move this to a 4- credit course has been submitted.	1 of 2 University Writing courses ¹ (3-4 credits)	1 of 3 Strand A – Communication Goals course (3-4 credits) USEM 101 which is equivalent to WR 121	WR 121 (3-4 credits)	Meets 3 to 4 credits of Foundations: Writing courses (0- 8 credits required)
Arts & Letters: 2 courses (AAOT course list)	6-8	2 Aesthetics and Humanities courses (6-8 credits) 2 Artistic Process and Creation courses (6-8 credits)	2 Humanities courses (6 credits). No more than 3 credits may be a performance-based course.	These three gen. ed. categories can be satisfied by Arts & Letters coursework: 1 of 1 Literature/Arts course (3-4 credits) 1 of 1 Western Culture course (3-4 credits) 1 of 1 Cultural Diversity course (3-4 credits)	BS No additional credits needed to fulfill this beyond ECON & COMM. Additional credits if taken apply to 180 credits for graduation (Frinq & Sinq) Requirement for BS is 12 credits of social science and/or AL.	2 of 3 Strand E – Humanities courses (6- 8 credits)	15 Arts and Letters credits required at UO - These 2 courses are 6-8 credits of the Arts and Letters requirement	Meets 6 to 8 credits of Exploring Knowledge: Literary and Aesthetic Perspectives courses (6-8 credits required)
Social Science: 2 courses Econ 201 Econ 202	6-8	2 Social Science courses (6-8 credits) ECON 201 & ECON 202 are required in the major and count as SSC gen eds.	2 Social Science courses (6 credits) ECON 201 & ECON 202 are required and count as social science gen. ed.	2 Social Science courses (6- 8 credits) ECON 201 (4) and ECON 202 (4) ECON 201 satisfies gen. ed. (Social Processes and Institutions category) requirement. Both courses are required for major.	2 Social Science courses (from above listed 12) ECON 201 (4) and ECON 202 (4)	2 of 3 Strand F – Social Sciences courses (6-8 credits) Econ201 and 202 are required for the major and count toward social science.	15 Social Science credits required at UO - These 2 courses are 6-8 credits of the Social Science requirement	Meets 6 to 8 credits of Exploring Knowledge: Social, Historic, and Civic Perspectives courses (6-8 credits required) EC 201 and EC 202 are required for the major and will count toward Gen Ed

Natural Science: 2 courses (lab science from AAOT course list)	8-10	2 Natural & Info Science courses (8-10 credits)	1 lab science course; lab science requirement met (4 credits) The plan is to convert the additional math general education course to a math/science elective to accommodate the additional natural science class.	2 of 3 Biological and Physical Science Courses (12 credits) required for gen. ed. can satisfy this category. Note: at least one Bio and one Phy. And all require labs.	Natural Science lab courses satisfy 2 of the 3 required science courses	2 of 3 Strand G – Science courses (8-10 credits)	15 Science credits required at UO - These 2 courses are 8-10 credits of the Science requirement	Meets 8 credits of Exploring Knowledge: Scientific Perspectives courses (6-8 credits required)
Math: MTH 243	4-5	1 College level mathematical course (4-5 credits) Required in the major and also meets university math requirements as a Math Gen Ed.	1 College-level Mathematics course; mathematics requirement met (4 credits). It does count for Math Gen Ed . Currently MATH 244 is also needed to meet the MATH 361 statistics requirement. *math 111 is also req. Calc req. will likely change	MTH 243 will only count as general elective credit. For institutions that offer BA275, this would be the preferred course for students to take.	BS Satisfies math 105 or higher requirement and business math requirement.	1 of 1 Strand D – Quantitative Reasoning course (4-5 credits) Math243 will count toward the QR requirement	BS 1 year college level Math required for Bachelor of Science - This class will cover a portion of that requirement. (4-5 credits)	Meets 4 credits of Foundations: Math course (4 credits required) Will count toward Math and Business major requirements
1 course must also satisfy AAOT Cultural Literacy Requireme nt		N/A (EOU does not have a cultural literacy Gen Ed requirement)	N/A (OIT recommends it but does not require it)	N/A (See Arts and Letters)	N/A	N/A (SOU does not have a cultural literacy req.)	Counts as 1 of 2 required Cultural Literacy courses (6-8 credits)	N/A (WOU has learning outcome that are typically fulfilled by Integrating Knowledge coursework)
Courses must total minimum of 30 credits, can be filled by an elective credit if needed	30-35 credits	Additional credits taken to reach 30 in the Foundational Curriculum will be applied to the general education category associated with them.	Would be elective credit or possibly gen. ed. depending on the course. Possible gen. ed courses are PSY 201, COMM 215 (or COMM 219) or BA 285. Best would be MTH 111 and MTH 243 (4 credits each)	Additional credits taken to reach 30 may be applied to satisfy gen. ed. or major requirements.	Additional credits taken to reach 30 credit total will be applied to the 30 credit minimum needed to waive the 15-credit first year University Studies requirement - Freshman Inquiry (FRINQ).	Additional courses taken to reach 30 credit minimum will be applied to the appropriate University Studies category	Consult an advisor to choose additional credits that will apply toward UO General Education requirement.	8 credits will apply to FYS 107 and FYS 207. Additional credits taken to reach 30 will be applied to the appropriate General Education requirement or free elective toward the business major.
Major and Elective Courses	CC Credits	EOU	OIT	OSU	PSU	SOU	UO	WOU

WR 227	3-4	BA 225, Meets 2nd University Writing Requirement (4 credits).	Meets general education requirement (3 credits)	Meets gen. ed. Writing II requirement (Skills category) (3 credits)	Meets second gen ed writing requirement (4 credits) and half of BA 205 requirement.	Meets University Studies requirement for 1 Strand B – Thinking course (3-4 credits)	Completes second part of UO WR requirement i place of WR 122/3
Oral Communica tion	3-4	COMM 111 Not required but receives GTW gen ed credit.	COMM 111 Required for gen. ed. (3 credits)	COMM 111 Meets major requirements	COMM 111	COMM 111 Required for Gen Ed.	COMM 111 Counts towards (requirements. Ar and Letters (3-4 credits)
Introductio n to Business	4	BA 101 Not required but receives GTW gen ed credit.	Will be part of the 18 credits of business electives	BA 101 (6 cr) Counts toward major requirements.	BA 101	BA 101 Will count for the third required social science class.	BA 101 (3-6 cr Counts toward major requireme and Social Science
Financial and Managerial Accounting 211 & 213	8-12	BA 211, 213 *Meets major requirements.	ACC 201,203 (they accept 211 and 213) *Meets major requirements. BA 212 would be part of the 18 credits of program electives.	BA 211 and BA 213 (8 cr) Required for major	BA 211 and 212 meeting their BA 211 requirements, BA 213 *Meets major requirements.	BA 211,213 *Meets major requirements. * (8 credits of BA 211 and BA 213 are required)	BA 211 and 2 1 Meet major requirements (Ac 211/213), 8 credi required
Business Law 226/230	4	BA 226/230 Required for major.	BA 226/230 Required for major (3 credits)	BA 226/230 Required for major	Business Elective	BA 226 Required for major	Will substitute for BA 325 in upper division business core requirements
Statistics II *	4-5	*not required Gen Ed elective - Stats II is a *preferred SMI gen ed elective* but not required by EOU.	Math 244 Required for major - Yes but might be able to allow stand-alone MTH 243. Still under discussion	The combination of MTH 243 and MTH 244 satisfy our BA 275 major requirement.	*not required - counts toward overall non- business credit to graduate	Math 244 Required for major	Math 244 - wil fulfill major requirement and science/BS
College Algebra *	4-5	*not required Non-gen ed elective at EOU	Math 111 Required for major (4 credits)	Math 111 Required for major	*not required - counts toward overall non-business credit to graduate	*not required It would count as an elective if they already have Math243 and 244.	Math 111 pre-requisite math 241 - Can skip if placed Math 241/251, counts toward B
Calculus *	4-5	*not required SMI gen ed elective unless student intends	*Currently, MATH 371 is required but it will be changed to a	Math 241	*not required - counts toward overall non-business credit to graduate	*not required This will count as General Elective credit	Math 241/Ma 251

of t in	If student completes degree, counts as second WR req. If student doesn't complete degree will count toward Gen Ed.
ls GE Arts 4	COMM 111 Meets 3-4 credits of Foundations: Communication and Language (3-4 credits required)
cr) I ments mce	Will count as business elective (5/12/20)
213 (Actg edits	BA 211,213 *Meets major requirements. * (8 credits of BA 211 and BA 213 are required)
ute n the on re ts.	BA 230 Required for major
will	Math 243/ Math 244 Required for major (4 credits required)
e for ced in , BS	Math 111 Required for major
/lath	Math 241/Math 251 Required for major

		BA/ECON double major (then it's required for Economics).	math/science elective as noted above. Starting fall 2021 it will not be required	*Meets major requirements			*Meets major requirements and BS/science	
Excel Course (BA 131 or equivalent)	3-4	BA 131 (or equivalent course focusing on Excel up through the Intermediate level)	MIS 102 - only 1 credit, remainder would be general elective credits -	BA 131 (or equivalent focusing on Excel). This course plus BA101 clears our First Year Experience (9 credits) requirement.	BA 205 -PSU does not have an equivalent to BA 131, If a student takes BA131 along with WR227 it can count for BA205. Otherwise, BA131 will count as a business elective and go toward their overall 180 to graduate	BA 131	Will meet BA 240 requirement required for admission to the college of business	BA 131 Required for major
NOTES		EOU caps at 90 credits with a BA prefix. The general business degree has 56 BA credits leaving 34 credits for BA electives. ECON, STATS, and ACCT are also in the program but have different prefixes and ECON and STATS are also gen eds. If a student is doing a concentration, it adds another 16 BA credits.	WRI, social science, SPE, and humanities courses are almost all 3-credits; additional credits from 4- credit transfers can apply to electives if needed. MATH and science classes are 4 credits.				Required courses in the MTM will not meet all UO general education credits, so smart use of elective credits is encouraged.	
Completed MTM	CC Credits	EOU	OIT	OSU	PSU	SOU	UO	WOU
Credit Total		60-65 credits (CTM + Req. LD business)	50 -54 credits applied to courses requirements (with BA 101 and possibly BA 212 applied as program electives) plus up to 13 general elective credits if transfer courses are 4 credit in place of OIT's 3 credit requirement Total: 50- 67 credits	69-78 credits	64 credits (Core transfer + required business courses) - Includes BA 212 credit			

Remaining Degree Requireme nts	EOU	OIT	OSU	PSU	SOU	UO	WOU
General Education	1 course that meets Difference, Power and Discrimination (DPD) requirement (minimum 4 credits).	-1 course in ethics (PHIL 331) -WRI 122 -2 additional courses in writing or speech from approved list (total of 6 courses in communication for gen ed: WRI 121, WRI 122, WRI 227, SPE 111, SPE 321, COMM elect. from approved list) -2 social science courses beyond ECON (PSY 201, PSY 347 (equivalent to BA 285) unless taken as electives at CC	Remaining course in gen. ed. category covered in Arts & Letters coursework	One science course if only two were taken (4)	One science course if only two were taken	3-6 credits of Arts and Letters remaining to get to 15 credits. Use electives to reduce remaining, if possible, and try to overlap with UO cultural literacy requirement	1 course from Foundations: Critical Thinking category (3-4 credits required)
	EOU requires 60 total gen ed credits with at least 6 different disciplines representing the AEH, SMI, SSC, & APC categories. (2 disciplines per category with a minimum 6 credits up to 20 credits per category.) Up to 15 GTW credits may be counted towards the 60 total credits. An additional SSC course outside of ECON is required.		One course (3/4 credits) in Difference, Power, and Discrimination	8 credits in sophomore inquiry (depends on how many credits are transferred to PSU) 30-59 = 12 soph inq credits 60-74 = 8 soph inq credits 75-89 = 4 soph inq credits 90+ = no soph inq required Based on above info - placement would require 8 credits of sophomore inquiry		1-6 credits of Social Science remaining to get to 15 credits. Use electives to reduce remaining, if possible, and try to overlap with UO cultural literacy requirement	1 course from Foundations: Health Promotion category (3-4 credits required)
			One upper division course (3/4 credits) in Contemporary Global Issues. (gen. ed. Synthesis category)	12 credits in upper division cluster	12 credits in upper division University Studies	0 credits remaining to get to 15 science credits required for UO	1 course from Integrating Knowledge: Citizenship, Social Responsibility and Global Awareness category (3-4 credits required, our BA 362 will double count here)

			One upper division course (3/4 credits) in Science, Technology, and Society (gen. ed. Synthesis category)			BS complete with math required for MTM	1 course from Integrating Knowledge: Science, Technology, and Society category (3-4 credits required)
			3 rd Bio or Phys. Science course w/ lab (4 credits)			0-4 credits for Cultural Literacty requirement (depends on overlap with general education)	
			One Fitness course (gen. ed. Skills category)			WR requirement complete with MTM	
Major Requireme nts	BA 303 Information Management (4)	BUS 215- Principles of Management (equivalent to BA 206) (3), BUS 223, - Principles of Marketing (equivalent to BA 223) (3) & MIS 206 - Intro to Information Systems (3)	BA 260 Intro to Entrepreneurship (4)	BA 301 - Research and Analysis of Business Problems (4)	BA285 Advanced Excel	BA 308 Leadership and Communication(4)	BA 310 Principles of Marketing (3)
	BA 312 Principles of Marketing (4)	BUS 349 - Human Resources Management (3)	BA 270 Business Process management (4)	BA 302 - Organizational Behavior (4)	BA324 Business Communication	MKTG 311 Marketing Management (4)	BA 315 Financial Management (3)
	BA 313 Principles of Finance (4)	BUS 456 - Bus. Research Methods I (3) & BUS 457 - Bus. Research Methods II (3)	BA 311, 312, 313: Blueprint coursework (1 credit each)	BA 303 - Business Finance (4)	BA330 Marketing	FIN 311 Economic Foundatoins of Competitive Analysis (4)	BA 325 Portfolio Management (3)
	BA 321 Principles of Management (4)	MIS 375 - Decision Support Systems (3), MIS 334 - Business	BA 347 International Business (4)	BA 311 - Marketing Management (4)	BA374 Management	FIN 316 Financial Management (4)	BA 361D Organizational Behavior (3)

	Analytics (4), MIS 113 (or MIS 275) - Database (3 or 4)					
BA 323 Quantitative Business Analysis (4)	ANTH 452 - Globalization (3) & BUS 308 - International Business (3)	BA 352 Managing Indv & Team Performance (4)	BA 325 - Information Literacy (4)	BA380 Operations Management	MGMT 311 Managing People in Organizations (4)	BA 362 Business Ethics (3)
BA 380 Principles of Global Management (4)	ACC 325 - Flnance (4)	BA 354: Managing Ethics and CSR (4)	BA 327 - Data Analysis & Visualization (2)	BA382 Management Information Systems	OBA 311 Business Analytics I (4)	BA 367Q Regression Analysis (3)
BA 381 Operations Management (4)	BUS 356 - Business Presentations (4)	BA 357 Operations Management (4)	BA 339 - Operations & Quality Management (4)	BA385 Finance	OBA 312 Business Analytics II (4)	BA 368 Intro to Operations Research (3)
BA 411 Business Ethics & Society (4)		BA 360 Finance or BA 240 Intro to Finance (4)	BA 385 - Business Environment (4)	BA427 Business Policy and Strategy	OBA 335 Operations Management (4)	BA 411 Marketing Strategy (3)
BA 451 Human Resources Management (4)	BUS 467 - Service Management (3)	BA 370 Business Systems Analysis (4)	BA 495 - Business Strategy & Capstone (6)	BA428 Business Research OR BA409 Internship	BA 453 Business Strategy and Planning (4)	BA 490 Operations Management (3)
BA 461 Organizational Behavior (4)	BUS 478 - Strategic Management (3)	BA 375 Applied Quantitative Methods (4)	For Mgmt Major: MGMT 351 - HR Management (4)	BA499 Business Planning		BA 491 Strategic Management (3)
BA 498 Business Policy & Strategy (4)	BUS 307 - Business Seminar (3), GIS 207 - GIS Seminar (1)	BA 381 Professional Development (4) or equivalent	For Mgmt Major: MGMT 428 - Team Processes (4)			EC 318/319/440 (one) (4)
		BA 390 Marketing or BA 223 Intro to Marketing (4)	For Mgmt Major: MGMT 445 - Organizational Design & Change (4)			
	MGT 321 - Operations Management (3), MGT 421 - Quality Management (3) & MGT 461 - Lean/Six Sigma Mgt. I (3)	BA 411, 412, 413: Blueprint coursework (1 credit each)	For Mgmt Major: MGMT 464 - Contemporary Leadership Issues (4)			

			BA 466 Integrative Strategic Experience (4)				
	This sequence satisfies the core upper division requirements for a general business degree. There are concentrations available requiring an additional 16 credits chosen from the specific concentration electives area to be awarded the concentration. NOTE: The accounting major has differences in the upper division core. See the accounting major checklist for details.	BUS 390 - Management Internship or Business Elective (3)	This major requirement list satisfies the Business Administration major. Other coursework is required for other majors.				
Major Electives		18 credits from specified list. Would apply BA 101 and BA 212 for MTM transferees leaving 10- 14 credits.	Sufficient credits to get to 60 upper division credits.	For Mgmt Major: Management 400 level elective (4)	Select Major Option: Management, Marketing, Accounting, or Tourism Management (20-32 credits)	7 Upper Division Business Electives (28 credits)	24 credits of upper division elective credits in Business, Economics, Entrepreneurship
				For Mgmt Major: Management elective (4)			
				Sufficient credits to get to 82 business credits = 0 business credits if BA 212 taken, 2 credits if ACTG series becomes 8 credits			
				Sufficient credits to get to 90 non-business credits = 26 credits if only Core transfer map & required courses were taken in above plan			

Additional Electives	Sufficient credits to get to 180 total credits, 60 upper division credits, and 60 general education credits.	Total of 18 credits of general electives. Surplus credits from 4 credit transfer courses where only 3 credits are required for the Oregon Tech courses are applied toward the 18 elective credits. Minimum of 60 upper division credits needed for the degree.	Sufficient credits to get to 180 total credits.	Sufficient credits to get to 180 total credits and 72 UD credits. 72 upper division met automatically 180 credits = 6 credits of anything if only required courses above are taken	Non-Business Minor or Certificate Program required (24-28 credits)	24 Credits non- business minor or theme study. 3 Courses for Global context. (Easy to overlap with Gen Ed and each other - assume at least 12 credits met with previous coursework or by overlapping remaining gened)	Sufficient credits to get to 180 total credits and 60 upper division credits
Total Credits post transfer (remaining Gen Ed +remaining major req. + any other remaining requiremen ts)	CTM 30-35 cr.+ LD Business 30 cr. + remaining gen ed=90. Once students transfer they should take upper division requirements for a general business degree and work with an advisor to discuss concentrations available requiring an additional 16 credits chosen from the specific concentration electives area to be awarded the concentration.	Up to 115 credits remaining. Student could reduce this by taking BA 206, BA 223, PSY 201,COMM 215 (or COMM 219) and BA 285 as part of MTM electives. These would fill 15 required BS degree credits while still leaving room for additional general elective credits. Student would fill 2-13 of the 18 general elective credits depending on the credit count of the core courses and whether MTH 244 is taken or not. Total credits required for graduation = 182.	Up to 77 credits in business administration major and general education after transfer	114 credits if 64 credits were transferred. It should be noted that it is likely (and common now) for more of the lower division credits (one science + 26 non business) to be completed at the community college. That said, I have only focused on the required courses in the core and MTM maps to come to the 114 remaining total.	Total credits is 88-96 credits post transfer. There is some double- dipping that can occur between upper division general education, the major requirements and certificate requirements. Total credits upon graduation should be around 180.	76-92 credits still needed after transfer depending on amount of double dipping, and how the student uses their MTM electives.	Up to 74 credits
