Each CWE credit requires 33 hours of work. How many credits of CWE would you like to complete during the term you are enrolled? _____

Do you know where you would like to complete your CWE hours? If you know, please complete the section below.

Company Name Supervisor Name E-mail

Company Address Phone Number

Are you employed at your proposed CWE site? Yes No

If you are employed (paid job), your employer must be able to give you approximately three (3) new responsibilities/duties/projects/ to use as your CWE learning objectives. Please discuss this possibility with your employer and your CWE instructor. CWE credit cannot be given for duties or skills already performed or mastered.

Do you need assistance in finding a CWE site? Yes No

Your CWE instructor may ask for your help in finding a site so start thinking about what skills you would like to use or learn and the type of environment in which you would like to work.

Briefly summarize relevant work history. (You may substitute a resume.)
