

RCC Dental Assistant Program Prerequisite/Course Completion Chart

This form serves as a double-check to make sure you have met at least the minimum eligibility: 15+ graded credits of the required prerequisite coursework, including MTH60 or higher, with a cumulative prerequisite GPA of at least 2.5, completed by the fall term. For the calculation of your application GPA, your most recent grade in a course will be used. Please also include planned courses for the winter, spring and summer terms. By the end of the summer term 2026, total prerequisite and elective courses should equal 15-17 or more credits.

Exception: If you have completed more than one math or writing course that would equally apply to a requirement, the course with a higher grade will be used. If you are admitted to the program, all prerequisite courses must be completed with a "C" or better (C- grades not accepted) by the end of the summer term 2026 to retain acceptance.

| Required Prerequisite Courses RCC Course Number/Title | Your Completed or Planned Course # | College & Year Course Completed (or planned course) | Grade (if complete) | RCC Credits |
|---|------------------------------------|---|---------------------|-------------|
| AH 100 - Medical Terminology - Introduction | | | | 3 |
| BA 120 – Human Relations in Organizations or PSY 101 Psychology of Human Relations | | | | 3 |
| HE 252 - First Aid - CPR 3 Credit(s) 1 or HE 112 and HE 261 (cannot be fulfilled by taking a course outside of RCC) | | | | 3 |
| MTH 102CT - Math for CTE Professionals or MTH 60 or higher-level math; required for graduation | | | | 4 |
| WR 115 - Introduction to Expository Writing or WR 117, or a higher-level writing course | | | | 3 |
| WR 115Q - Corequisite Support for WR115 as required based on placement | | | | 1 |
| DH 100 Pre-Dental Hygiene (optional) | | | | 2 |
