Why is it a benefit to me to give my Social Security Number (SSN) to RCC?

- You must use your SSN if you plan to file for financial aid, grants, loans, scholarships or use the college installment plan.
- You may be eligible for a tax credit. RCC needs your SSN to furnish a statement for your taxes. To comply with the Tax Payer Relief Act of 1997, Rogue Community College must obtain your correct SSN.
- Your SSN is the one identifier that is unique to you, all of your school records should be linked by SSN so that you get credit for all of your classes.

Check this box if you prefer not to provide your SSN to RCC.

I have read and understand the advantages of using my SSN.

¹ Providing your Social Security number is voluntary. If you provide it, the college will use your Social Security number for keeping records, doing research, reporting enrollment, aggregate reporting, extending credit and collecting debts, and providing required information related to the Taxpayer Relief Act of 1997 to IRS. Your Social Security number will not be given to the general public. If you choose not to provide your Social Security number, you will not be denied any rights as a student. Please read the statement in the policy section of the class schedule, which describes how your number will be used. Providing your Social Security number means that you consent to use of the number in the manner described. Translations in other languages are available.

² ROGUE COMMUNITY COLLEGE (RCC) SOCIAL SECURITY NUMBER DISCLOSURE AND CONSENT STATEMENT

To comply with the Tax Payer Relief Act of 1997, Rogue Community College must obtain your correct social security number (SSN) to file returns with the Internal Revenue Service (IRS) and to furnish a statement to you. The returns filed by RCC must contain information about qualified tuition and related expenses. The Privacy Act of 1974, section 6109 of the Internal Revenue Code, requires you to give your correct SSN to agencies who must file information returns with the IRS. The IRS uses your SSN for identification and to verify the accuracy of your tax return. For more information please refer to Internal Revenue Code section 6050S.

Your SSN will not be used as your student ID at Rogue Community College. By this application, you authorize RCC and the Oregon Community College Unified Reporting System to use your SSN for tracking and statistical purposes as outlined in the SSN Disclosure Statement printed in the schedule of classes and available on the Web at:

www.roquecc.edu/Enrollment/disclosure_statements.asp

Recognition of Expectations for High School-Aged Students

To help ensure my success at RCC, it is necessary that I have clear expectations about the college experience. As a person applying for acceptance, I understand the following about the college environment:

Academic Freedom is Part of the College Learning Environment

Faculty are free to teach and students are free to learn in an open environment without interference or intolerance.

Academic Honesty is expected

Violations of academic honesty include, but are not limited to: plagiarism, collusion, inappropriate assistance, cheating, fabrication, falsification, alteration, unauthorized multiple submission, sabotage, and tampering. Students who violate academic honesty will be subject to disciplinary action; see Student's Rights, Freedoms and Responsibilities at: www.roguecc.edu/Students/StuRights/StudentRightsFreedomsResp.pdf

A College Learning Environment Is Adult-Oriented

Open discussions and the free exchange of ideas often include adult subjects related to sexuality, psychology, politics, philosophy, religion, and a variety of topics that demand maturity and respect for the opinions and values of other persons.

Grading Is a Faculty Responsibility

College faculty, as professionals, have the right and responsibility to evaluate, assess, and grade student academic performance without influence or interference from students' parents, guardians, or other outside sources. High school students taking college courses through their high school or on college campuses will earn grades "A-F" or "P/NP", which become a permanent record on their RCC transcript.

Library and Internet Use Is Not Censored

RCC provides uncensored and unfiltered access to information through its library, media, and internet access to all students on campus computers. Student use of College information resources is expected to be for legitimate academic activities. See RCC's Student Account Policy and Procedure at www.roguecc.edu/HelpDesk/Forms

Students with Disabilities Are Responsible for Self-Disclosing and Providing Disability Verification

The College does not provide secondary special education services. Accommodations are available to provide an equal opportunity in college courses, programs, activities, and services upon request to eligible "otherwise qualified" students with disabilities, in accordance to post-secondary education laws and RCC disability service procedures. Students must be able to negotiate the campus facilities and take care of personal needs independently or with the help of a personal attendant.

Students Are Responsible for Their Learning and Conduct

Students are responsible for their own learning, including their attendance, participation, academic performance, and conduct; see Student's Rights, Freedoms and Responsibilities at: www.roguecc.edu/Students/StuRights/StudentRightsFreedomsResp.pdf

Communication

RCC staff and faculty may communicate with parents/guardians. Grading standards, classroom behavior, or academic progress are topics best discussed with students. If agreed to and when appropriate, a parent/guardian may accompany a student for faculty consultations. RCC does not hold parent/teacher conferences. Faculty at RCC are not required to communicate with parents/guardians.

Release of Information:

My attendance at RCC is sponsored by my high school, by the Morris Foundation, or by my parents/guardians. I give permission for my **academic** and **behavioral** information to be shared between any representative of my high school, school district, Morris Family Foundation, parents/guardians, RCC, Oregon Board of Education and disability support services. The purpose of sharing information from my record is my academic success at RCC and payment of my tuition, fees, and books. I understand that I may revoke this permission at any time and that cancellation of this permission is my responsibility.

Before you register for classes, read RCC's consumer and Right to Know information in these links; www.roguecc.edu/Students/rights.asp and www.roguecc.edu/AboutRCC/consumer-information.asp. These webpages inform you about the college drug and alcohol policy, Family Education Rights and Privacy Act, security policies, crime statistics, financial assistance, graduation rates, academic rights and responsibilities, and more. You may receive this information in hard copy by contacting rcs@roguecc.edu.

Make sure to add your parent or guardian and don't forget the shared secret password.

Agreement to accept RCC Expectations of Underage Students:
I recognize that the above topics are part of an adult college learning environment, and I will conduct myself in accordance with these expectations in order to benefit from the college learning environment. My acknowledgement of these expectations is indicated by checking this box and submitting this form.

I authorize RCC staff to talk to my family member/representative for the purpose of assisting me with financial aid, payment, grades, academic progress, behavior and term schedule. I understand that I may rescind this permission at any time by contacting Rogue Central on any campus.
