BRIGHT SUN DISPATCH

Welcome Back & Happy Autumn!

There's a new co-chair in town...Welcome [Mary Middleton](#), Math Maven, to the party, folks! She's going to sit along side myself and, of course, [Amy Durst](#) in the hot seat taking names and notes. I think we are going to have a very productive year as we synthesize last year's plans/goals/brainstorming this year together.

Faculty Senate Meeting is this Friday Sept. 27th RWC, H2 or on ZOOM!! (see below)

We have some great guest speakers lined up for the first few months. Just to give you an idea, here's what's ahead:

At our **first meeting Robert Felthousen, Library Department Chair**, will be speaking about student evaluations and discussing the start of a Taskforce to oversee this process.

Kori Ebenhack, Vice President of Student Services, is coming in **October** to talk to us about student surveys and student engagement. **(BTW: Stay tuned for a Special Spooky October Issue!!)**

RCC Student Bevin Ricker is coming to share her research on learning styles in **November**.

As other needs of the Senate are made aware to Mary and myself, we will reach out to the appropriate experts on campus and invite them to come and speak with us.

You asked...We ZOOM'd it!

The papers I had you hand in at the last meeting in May along with the Survey Monkey from earlier in the year gave us a good idea that we needed some options for how we can "get" to meetings! So...now you have the option of Zooming in! All meetings will be Zoomable this year in an effort to boost our numbers and get our voices heard. Don't worry... for those of us that want to drive to the meetings...we'll still have coffee and tea and snacks. Let's assume those of us Zooming in will have our own coffee, tea and snacks! ;-)

Here's the link to Zoom:

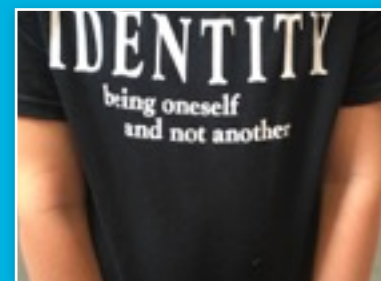

<https://roguecc.zoom.us/j/8018334781>

All meetings are from 10am to noon (except the Staff Recognition Luncheon which is 11am to 1pm) and will still be rotating campuses.

You can find the full schedule on our Faculty Senate website:

SHARE YOUR PHOTOS WITH THE REST OF US

I love finding fun and whimsical wisdom in the world around me. I'm not above asking someone if I can take a picture of their awesome t-shirt or button or bag! If you have a photo that you'd like to have put in our newsletter, email it to me!
