- c. Continue to click the blue arrows ➤ to expand the sections (and consequently the courses) that are qualified to be counted toward your degree or certificate.
- d. Once you decide on a course, use the plus + button to add courses to your schedule.

myRogue TIP #1

Don’t see a Register button?

Contact your Advisor! They can help you get the permissions you need (clear your holds, advise you on next courses, help assign the correct major).

For more details on courses, (drop, remove course from calendar, view course details, contact the instructor, or “view possible issues”) click the “...” area of the course listing,

OR, click the down-arrows on each course added to your calendar view.

Non-scheduled courses (4 hrs) [Less](#)

- e. You will see the course appear in the calendar view (if it's a scheduled/in-person course) or in the tab above labeled "Non-scheduled courses" if it is a WEB* course.

Non-scheduled courses (8 hrs) [Less](#)

- f. Certain courses will have prerequisites. If you have not completed the prerequisite, the course is not available for you to add to your schedule. If the course has "corequisites," you will be prompted to choose the accompanying courses to add to your schedule. This happens in the case of labs and recitation courses.
- g. You are **NOT DONE!** Once you get all the courses you want (added to either the scheduled or non-scheduled area of the registration process), you **MUST CLICK THE green REGISTRATION CHECKOUT** button.

Registration checkout

- h. Confirm the courses you are registering for by checking the boxes in the "Available to Register" section.
- i. Click the green "Register" button.

(The contact button leads you to email your Advisor if you run into problems.)

- j. You have successfully registered!
