

ALCOHOL AUTHORIZATION FORM

If you plan to service alcoholic beverages (beer, wine, or champagne only) at your event, you must complete this form and submit it with your Facilities Use Agreement.

1. Oregon Liquor Control Commission (OLCC) licensed servers are required for distribution of alcoholic beverages at event on Rogue Community College campuses.
2. Alcoholic beverages may consist of wine, beer and champagne only and must be served by an OLCC licensed server. The licensed OLCC server may terminate alcohol served at any time.
3. Non-alcoholic beverages (including, but not exclusively, water) and at least two types of substantial food must be available at all times in all locations where alcohol is consumed or sold. Providing high-protein, low-salt food is encouraged.
4. If payment/purchase of alcoholic beverages is required, or if donations of money are accepted for alcohol or for entry/admission, or for any product or service, a *Temporary Sales License (TSL)* from the OLCC may be needed. In this case the Applicant must obtain the TSL well in advance of the proposed event (the OLCC typically requires a minimum of 10 business days to process *Temporary Sales License* applications).
5. Be sure to complete all items below.
6. Rogue Community College does not provide OLCC licensed servers for events.
7. Identification shall be checked for all guests who appear to be under 26 years of age.
8. RCC may require additional security, at the Applicant's expense, for events in which alcohol will be served when deemed necessary by RCC Risk Management. Security services must be contracted with the college's current contract security provider through RCC Risk Management.
