

Things to Bring to the Interview

Be ready to provide the interviewers with your application documents as they request them. They should be organized and professional. Keep the documents in a portfolio or folder, briefcase or bag. Come to Career Services for a review of your resume and cover letter, and to print it on professional paper. Career Services will also provide you a folder to put your documents in for your interview.

- Copy of Application
- Resume
- Cover letter
- Professional References
- Pen
- Paper to take notes on
- Thank you cards (ready to complete following the interview)
