6	<b>Director’s Report:</b> Good morning team.  Its been a mighty week with much going on. The prioritization projects are well underway and the deadline for the Economic Development grant the college is submitting is due next week. I look forward to settling back in with all of you and resuming our team building and making great things happen.  VP Ebenhack communicated this information about Table Rock campus earlier this week. The Planning Director’s Written Interpretation concurs that the TRC meets the definition of a “satellite campus” as defined in the Jackson County Land Development Ordinance and that instruction offered at TRC is not limited to Commercial/Business course work.  This means there are no limits to what we can offer at TRC.  Please help staff and students know this information!	McKenzie

	Please let me know if you need anything while Chelsea is away. Have an awesome week!
