6	<b>Director’s Report:</b> I hope you all had an awesome and well-deserved break from your academic commitments. Time moves quickly and spring term is a busy time of year for college staff, faculty and students. Prioritization master reports are due to the RCC Board of Education this month and news for Student Affairs will be announced next week. I am pleased to announce that there are no new budget reductions for ASG. Next week, Chelsea, Izzy, Mollie and I are attending the annual OCCA conference in Sun River. Mollie and Izzy are part of a panel, Voices of Students, and have a short series of questions to consider prior to the panel. Questions will be things like: tell me what it’s like being a community college student now; what is something your college is doing that is really making a difference for you; what is something your college could start doing or do better to support you, etc. Thank you for taking on this leadership opportunity and I am super proud of you both! Finally, with the changes from the pandemic and the uniting of the ASG teams, I am working with Budget and Finance to combine the ASG budgets into one and to remove the campus designations. This will ease our processes related to	McKenzie

	purchasing, travel and it will be easier to manage. Thank you for your service and I am excited for spring and the term in front of us. Let's rock this!	
7	<b>Advisor's Report:</b> What a crazy time as so many things are happening all at once. I've missed all of you spring break. We made it through prioritization and proved we are worth what we are here to do. Reach out if you need too for any reason.	Daugherty
