6	Director’s Report: Good Morning Team. It’s been an extraordinary fall term filled with learning, engaging and becoming a healthy functioning team. The energy when you are all in a room is electrifying. You are smart, critical thinkers and you have the best interests of the RCC students in the forefront of your minds. Thank you! As we end the term today, I hope you can take a look around the table and within yourself and know that you all did great work. There are many projects and goals that were met this term and you all made that happen. I find each of you supercalifragilisticexpialidocious; in the Oxford Languages dictionary that is extraordinarily good and wonderful. Thank you for your service, your care and your work as individuals and as a whole.	McKenzie

	Enjoy your break.
